REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The instant invention claims a coated paper having a specific composition, structure and properties.

The closest prior art references that relate to the claimed invention are Hirabayashi'794, '413, '031 and Koitabashi'047.

The closest prior art teaches that it is known to make and use coated paper for printing.

However, the prior art does not teach or fairly suggest the instant invention wherein the specific composition, properties and structure of the coated paper have been claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
